SPANISH INFLUENZA
EPIDEMIC IS SERIOUS

Physician and Four Others Died in Few Hours

Doctors and Health Board Will Confer To-night

Another Death

Mrs. Minta Died As Result of Attack of Spanish Influenza

In the military hospital on King street a few cases of the disease have been isolated and with one death. At the school there were about 20 cases. Quarantine has been adopted in which pupils have been kept at home and others have been isolated in separate buildings. The disease is being held by the efforts of these places.
